

ALL-TIME RANKING LIST OF EUROPEAN CLUB'S HANDBALL IS IN YOUR HANDS

HANDBALL-PLANET.COM has prepared the "ALL TIME RANKING of the European club's handball" for the period between 1957 and 2021.

Historical period for handball world and society which we are facing in the moment of COVID-19 pandemic in March and April 2020, put the question "**WHO HAVE BEEN THE BIGGEST TEAMS IN THE HISTORY OF OUR SPORT?**"

Our team has tried to make the best list possible based on the result of the teams in all competitions led by International Handball Federation and European Handball Federation in the world of handball.

HANDBALL-PLANET TEAM goal was to make as wider as possible picture about the results on international level. That's why we didn't count only trophies and titles, but also participation of the team at the final and semi-finals of the four prestigious Cup's - Champions Cup (since 1956) (EHF Champions League (since 1992), Cup Winners Cup (1975 - 2012), EHF Cup (1981 - 2021) and EHF Challenge Cup (1994 - 2021).

HANDBALL-PLANET TEAM presents a list of 199 teams who have been playing at TOP4 of the European Cups since 1956.

We also prepared the ALL-TIME ranking of the countries.

HOW WE MADE THE LIST?

CHAMPIONS CUP / EHF CHAMPIONS LEAGUE (Champions 10 points, finalists 5 points, semi-finalists 2.5 point)

CUP WINNERS' CUP (Winners 5, finalists 2.5, semi-finalists 1.25)

EHF CUP (Winners 5, finalists 2.5, semi-finalists 1.25)

EHF CHALLENGE CUP (Winners 2.5, finalists 1.25, semi-finalists 0.62)

***RED COLORED TEAMS DON'T EXIST ANYMORE, THEY PLAY UNDER NEW NAME / STRUCTURE AFTER BANKRUPTCY / AMATEUR LEVEL**
